Testimonials

"Thank you so much for providing the excellent after-dinner entertainment last Thursday. I have had loads of good feedback and some astonishment that it turned into a wedding disco at the end! We certainly couldn't have predicted that beforehand. And lots of questions about what we're going to do next year!" **EMAP**

"Phil what a fantastic night last night! Thanks so much to you and Matt for making it such a special occasion! So many people have come up to us and said it's one of the best weddings they've been too! Fabulous wedding day evening entertainment. Flexible on the night and adapted to the audience. People are still talking about it many weeks after the day!" **DAVID BLOWER**
