# Spa Therapists NVQ Level 3

**Department:** Spa  
**Reporting to:** Spa Manager

We are now looking to recruit elite Spa Therapists who are trained to NVQ Level 3 standard or equivalent to join our existing team.

If you want to be take part in training with a brand new product house not yet used in any Spa in the North West, have involvement in the selection of a up-to-date, eye catching and sophisticated uniform and best of all, work in our brand new state of the art, standalone Spa experience due to open it's doors in the Summer of 2019 with a grand opening ceremony, then this the vacancy you need to apply for.

## The Ideal Candidate Will:

- Be qualified to NVQ Level 3 Beauty Therapy or equivalent
- Have at least one years' experience as a Beauty Therapist, working in the industry
- Demonstrate excellent customer service skills exceeding client expectations and have a friendly personality
- Be willing to attend and engage in organised training courses
- Be immaculately presented at all times.
- Be prepared to work shifts including weekends and bank holidays

## The Role:

- To deliver a variety of treatments to include facials, massage, manicures and pedicures, and other specialised treatments where full training will be provided with our product house to a high standard.
- To meet and greet clients and guests and if required provide a tour of the spa facilities.
- Provide spa consultations and after care with clients to ensure they are receiving the maximum benefits from their treatments.
- Earn commission on product sales

We have free transport from the Wrexham and surrounding areas. Applicants should have their own transport if living outside of this area due to lack of public transport.
